

PT Coupling Company

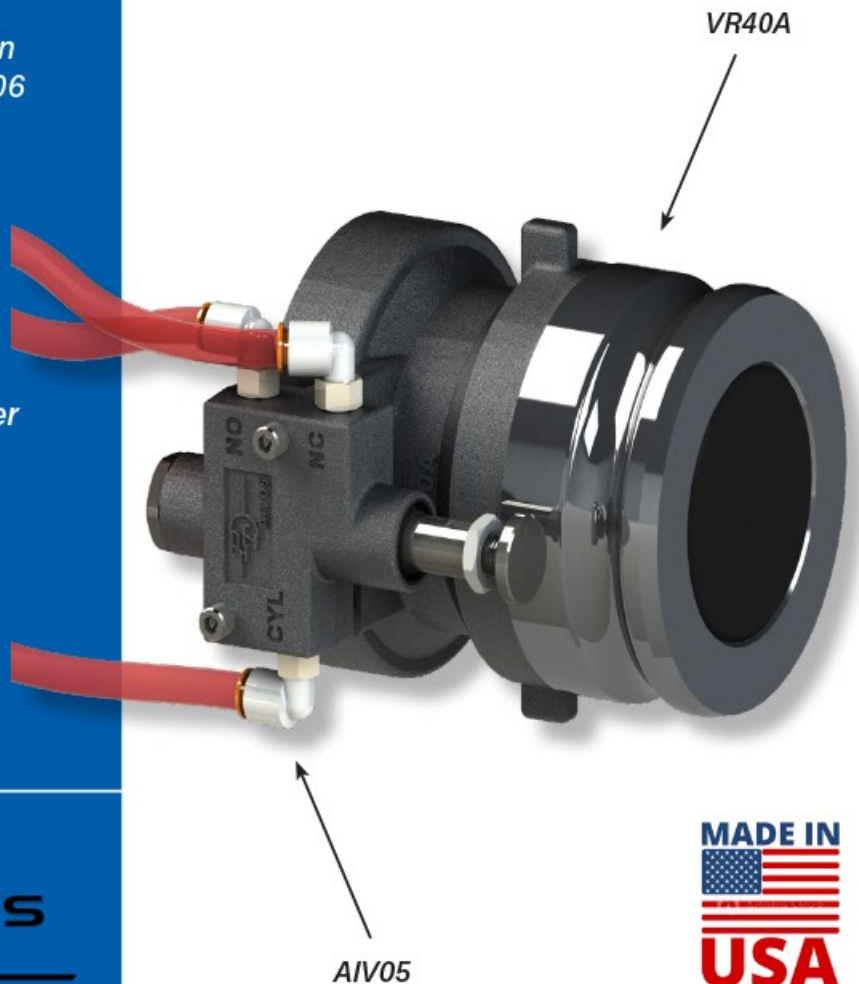

AIR INTERLOCK VALVE

PT Coupling's NEW AIV05 Series Air Interlock Valve ensure drive-off protection on all air-actuated valves located on DOT406 Tank/Bobtail trucks and trailers.

AIV05 SERIES ADVANTAGES

- Hard-coat, A356-T6 aluminum body for a consistently durable product
- Larger shaft to combat bending in order to reinforce a longer life
- Directly interchangeable with other products on the market
- Larger ports for improved airflow
- Made in the USA
